

Exclusive to Lifestyle in WA **Monaco**

Specifications:

Monaco is a modern twist of our classic Chaise sofa which is historically, perhaps, Artifex's most famous and most prominent design. With adjustable arms that move up and down, and highly comfortable foams, we hope the Monaco will be just as popular living side by side in harmony.

The Monaco arms raise up and down in a click clack motion with 4 different positions to choose from and the metal powdercoated sled legs can be powdercoated to your choice of colour and finish.

Available in an arm chair, 2, 3, or 4 seater, the upholstery can be finished in your choice of fabrics or leather.

Dimensions (mm):

Chair: 975W x 870D x 820H

2 seater: 1750W x 870D x 820H
