

# Seattle

## Specifications:

Available as an armchair, 2 seater, 2.5 seater & 3 seater

We have developed new technology within the Seattle lounge that allows the lounge to have separate backs for each seat and therefore the person sitting on one end will not feel the person sitting on the other end.

The Seattle lounge can also be used as a single bed by simply removing the rear cushion.

All cushions are removable for easy cleaning.

Standard with timber legs
